

RESERVE YOUR BOOKS TODAY

Signature Publishing is excited to announce the forthcoming release of *Spectacular Outdoor Living*. As a featured professional, you are invited to order books at the special rate of \$25. Trying to figure out how many books you'll need? Keep in mind that coffee-table books have a long shelf life—you may want to take advantage of this wholesale purchasing opportunity and cover your needs for the next few years.

Need some book circulation ideas? Display them in your place of business; arrange a personal book signing, open house or charity event and make them available for sale; give them as thank you gifts to past, present and prospective clients, vendors and peers.

All orders at the special rate of \$25 per book must be placed immediately; we have a limited quantity of books available at this rate, and once our supply is exhausted, books will only be available at the retail price of \$40. The minimum order requirement is 10 books. Please add shipping cost of \$3.75 per book.
